

P-Max: Mini Rogaine Tinakori

The control numbers don't match the boxes on the card but that doesn't matter. Write the question number AND the answer in the next available box on your card. If it's a word or code, the first two letters are enough, eg BL for blue

This rogaine uses traditional scoring: the tens part of the control number gives the score. For example control 35 is worth 30 points. Number 150 is special: its worth more than any other control but it won't be there until half time.

If you have trouble or expect to be late back, phone the **organiser at 027 232 4310**.

At the end, add up your score and write it above the running figure on the card. Subtract any lateness or solo penalty and write the net total below the running figure. Ensure your team name is in the "name" box and hand your card in.
