

Annvale Attack & Amble: Results

Thanks to you all for taking part and supporting the Darfield HS's rural college. Sorry about the mud hole on the road in, it only cut up bad in the final days with the rain that came in the week leading up, but at least the weather on the day made up for it. And as we said at the start, 57% of you were women, so women's results are listed first in the tables below.

The highest scoring team of Ian Edmond and Jacob Roberts did not score # 90 along with most other teams. Only 17 4-hour teams did in fact, yet by going via 42 and 72, there was reasonably quick access to the top of this ridge where one could then score 68, 51, 90, and 50 with very little extra effort. But good to see lots of you went to see the attractive waterfall at # 82.

We acknowledge the generous cooperation of Brian Groome, manager, Annvale Ltd, Gary Ferguson (Baldoon) and Graeme Dawson (Ayrdale) for the use of their farms; CRT Co-operative (for the tent), SPB Ltd, The Malvern Record, Dave Laurie & Dave Armstrong (Peninsula & Plains Orienteers), plus the following businesses for prizes: Antarctic Centre, Black Cat Cruises (Akaroa), Gnomes Snowsports, Hanmer Springs Thermal Pools & Spa, Porters Ski Area, PGG Wrightson, Red Red Wine Cafe & Bar (Darfield), Rubicon Valley Horse Treks, Terrace Café & Bar (Darfield), Springfield Hotel, Tranz Scenic Trains (TranzAlpine) and Waimakariri Gorge Jet.

THE RESULTS

Scores are net of time penalties. Where teams have the same score they are shown as equal unless a team was over time. One change from those announced on the day is in the veteran men with the winners now being Jeff Hall & Steve Bruerton. (Their lack of a prize is being rectified.)
