

P-Max Spring 2013: Melling

Write the answer in the numbered box on your card. If it's a word or code, the first two letters are enough, eg BL for blue. When you get back REPORT IN (IMPORTANT!) and write your finish time in the "FINISH" box.

Then add up your score and write it in the box with the runner icon. (If you have a lateness or solo penalty write the net score down by the runner's feet.) Don't forget your team name in the "Name" box. Hand your card in.
