

Annvale Equestrian Rogaine

3 hour Rogaine (a NZ-first)

Sunday 1st April 2012

Report

After many foot rogaines, Carol Fowler, as a horse rider herself, became intrigued with the idea of a “horse rogain”. After talking about it in equestrian circles to gauge interest, Carol asked me if I would help her set one. And so on 1 April, although there has been conventional orienteering on horseback, NZ’s first-ever equestrian rogain came to fruition, in support of Darfield High School’s Rural College.

So thank you all for coming and making it a great success.

Huge thanks to Annvale farm manager, **Brian Groome**, who was superb in his assistance, including moving stock and opening as many gates as was practical.

Thanks to Dave Laurie for map production, Tracy Legat for publicity, Maria Townsend (DHS) for publicity & arranging prizes, John Galiani (CRT) for arranging prizes and **CRT Hornby**, **CRT Darfield** and **PGG Wrightson** for the actual prizes. Finally thanks to our on-the-day crew: Abbey & Alex Shortus, Tracy Legat, , John Galiani and Steve Petty.

Results

We put the emphasis first on having fun and competition second. And hence we didn't divide you into different classes. We didn't need to, the winning team included 11-year-old Lean and 13-year-old Luke.
